TITLE: OPPOSING WASTE DISPOSAL SURCHARGES AND REQUESTING AN EXEMPTION FOR PLANNING UNITS.

WHEREAS, the New York State Department of Environmental Conservation (NYSDEC) requires, and relies upon, Local Solid Waste Management Planning Units (including Steuben County) to provide comprehensive waste reduction, recycling, and disposal services to communities throughout the state; and

WHEREAS, Local Solid Waste Management Planning Units have collectively invested billions of dollars in their comprehensive solid waste management systems and are responsible to set rates to support such systems, including the implementation of their Local Solid Waste Management Plans that are approved by the NYSDEC; and

WHEREAS, Local Solid Waste Management Planning Units, including Steuben County face constant pressures by the local communities they serve to operate as efficiently as possible, such that they have the lowest possible operating costs, including the waste disposal fees charged to waste haulers and residents; and

WHEREAS, the Climate Action Council’s Final Scoping Plan recommends (on page 338) that the State “enact legislation in 2023 to establish a disposal disincentive (fee per ton) on all waste generated in New York to provide financial support for reduction, reuse, and recycling;” and

WHEREAS, most Local Solid Waste Management Planning Units already implement fee structures that support their waste reduction, reuse, and recycling programs and disincentivize disposal because recycling programs are generally offered at no cost or at a fee significantly lower than disposal fees; and

WHEREAS, the implementation of statewide per ton fees essentially undermines and penalizes the efforts by Local Solid Waste Management Planning Units to provide cost-effective comprehensive systems; and

WHEREAS, waste disposal surcharges, or per ton fees, will not achieve the intended goals of waste reduction, as back-end fees do not change consumers’ purchasing decisions or incentivize producers to make products that are easier to recycle.

NOW THEREFORE, BE IT

RESOLVED, that Steuben County opposes the implementation of any type of waste disposal surcharge; and be it further

RESOLVED that Steuben County hereby requests that Local Solid Waste Management Planning Units including Steuben County receive an exemption from such surcharges should the State choose to implement them at other disposal facilities; and be it further

RESOLVED, certified copies of this resolution shall be forwarded to the Honorable Kathy Hochul, New York State Governor, New York State Capitol Building, Albany, NY 12224; Honorable Andrea Stewart-Cousins,
