INSTRUCTIONS FOR SUBMITTING DRIVEWAY LOCATION WITH YOUR SMART PHONE

1. Open a map app such as MapQuest or Google Maps
2. Turn on option for Satellite
3. Stand at the location where your driveway meets the roadway (you may need to be out of a vehicle for accuracy)
4. Zoom in on the image, showing your location in relation to the road and take a Screenshot*
5. Zoom out and take a Screenshot of the overall area
6. Submit images with Address Request Form (images should look similar to picture at the right)

- * For most Android phones and tablets, to take a screenshot, press and hold the power and volume-down buttons together.
- * For iPhones, press and hold the "Sleep/Wake" button and then press the "Home" button
